Notice of Prohibition on Redisclosure to Recipient of Information

This information has been disclosed to you from records, the confidentiality of which may be protected by federal and/or state law. If the records are so protected, Federal Regulation (42 CFR Part 2) prohibits you from making any further disclosure of this information unless disclosure is expressly permitted by the written consent of the person to whom it pertains, or as otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical or other information is not sufficient for this purpose. The federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.
