DR. VINCE CULOTTA

EXECUTIVE FUNCTION SKILLS: KEYS TO
YOUR CHILD'S ACADEMIC SUCCESS

VINCENT P. CULOTTA, PH.D., ABN

Dr. Culotta earned his doctoral degree in clinical psychology from the University of Memphis in 1987 and completed his internship at the West Virginia University Medical School. He is a Licensed Psychologist with subspecialty training in clinical neuropsychology. Dr. Culotta has held clinical and administrative positions in medical, rehabilitation, and private facilities treating children, adolescents, and adults with neurobehavioral disorders. He served as Director of Neuropsychology in the Neurosurgery division at the University of Maryland's Shock Trauma Center. Dr. Culotta's research and clinical interests include Attention Deficit Hyperactivity Disorder, Learning Disabilities, Traumatic Brain Injury, Mild Traumatic Brain Injury, and Neurotoxin Exposure. Dr. Culotta is a Diplomate of the American Board of Professional Neuropsychology and currently serves as president of NeuroBehavioral Associates.

STEVEN G. FEIFER, D. ED., NCSP, ABSNP

Dr. Feifer has more than 20 years of experience as a school psychologist, and is dually trained in school neuropsychology with research stints at the National Institute of Health. Dr. Feifer has earned numerous distinctions throughout his career including being awarded both the Maryland School Psychologist of the Year, and the National School Psychologist of the Year. Dr. Feifer currently assesses children at the Monocacy Neurodevelopmental Center in Frederick, MD, and is a popular speaker at many state and national conferences. He has authored eight books on learning and emotional disorders in children, and is the author of the Feifer Assessment of Writing instrument published by PAR.

DARA FELDMAN

Dara Feldman is a passionate educator, speaker, author, coach & consultant whose life-long goal is to transform our schools and the systems that support them into environments that embrace the love of learning with the recognition of self-worth. A champion for social justice, she is the author of, "The Heart of Education: Bringing Joy, Meaning and Purpose Back to Teaching and Learning." Dara is nationally board certified in early childhood, certified in restorative justice, and the founding chair of the Virtues Project International Association. She was honored as Disney's 2005 Outstanding Elementary Teacher of the Year & Educator of the Year for the National Association for Self Esteem in 2009. She is one of 10 teachers featured in the book, "One on One with America's Most Inspiring Teachers."

SHREYA HESSLER, PSY.D.

Dr. Hessler is the founder and director of The MINDset Center. She has been in private practice for over fifteen years. She specializes in the identification and treatment of anxiety disorders, attention deficit-hyperactivity disorder, depression, and behavioral disorders. Dr. Hessler is trained in cognitive-behavioral and applied behavioral therapy for the treatment of children, adolescents, and adults. She uses a comprehensive approach in working with clients. After a thorough diagnostic interview, clients collaborate with Dr. Hessler to create a treatment plan that target specific symptoms.
