

**Vincent P. Culotta, Ph.D. ABN**  
5550 Sterrett Place, Suite 300  
Columbia, Maryland 21044  
(410) 772-7155 (Office) (410) 772-7156 (Fax)  
email: [vculotta@nbatests.com](mailto:vculotta@nbatests.com)

**EDUCATION:**

1977-1981	B.S. with Highest Distinction in Psychology, Pennsylvania State University, University Park, Pennsylvania
1982-1984	M.S. in Psychology from University of Memphis, Memphis, Tennessee
1986-1987	Predoctoral Clinical Internship, Department of Behavioral Medicine and Psychiatry, West Virginia University Center for Health Services, Charleston, West Virginia. APA-approved Clinical Psychology Internship
1984-1987	Ph.D. in Clinical Psychology, University of Memphis, Memphis, Tennessee, APA-approved Clinical Psychology Program.
1992	Neurosciences Course, University of Maryland School of Medical
1998	ABN – Awarded Diplomat of American Board of Professional Neuropsychology

**PROFESSIONAL EXPERIENCE:**

October 1999 – Present

NeuroBehavioral Associates, Columbia, MD

**President and Owner of NeuroBehavioral Associates**

Multidisciplinary practice serving children, adolescents, and adults with neurobehavioral disorders. The practice specializes in attention disorders, learning disabilities, traumatic brain injury, mild brain injury, seizure disorders, and Autism Spectrum Disorder. The practice provides a broad range of clinical and forensic consultation and assessment services. NeuroBehavioral Associates services as a training and research site for master's and doctoral level graduate students in psychology.

July 1994 – September 1999

1999 Green Spring Health Services, Inc.  
Columbia, Maryland

**Associate Director of The NeuroBehavioral Center**

*Administrative:* Provided supervision for both clinical and support staff; established statewide network of subspecialty providers.

*Clinical:* Provided neuropsychological assessment, consultation, treatment and case management services to child, adolescent and adult patients; responsible for 275 to 325 comprehensive neuropsychological evaluations annually; provided forensic neuropsychological consultation, evaluation and expert witness services. Served on Patuxent Medical Group referral committee and provided testing for the Pediatrics, Neurology, and Internal Medicine Departments.

December 1991 - June 1994

University of Maryland Medical Center  
R Adams Cowley Shock Trauma Center  
Division of Neurotrauma  
Baltimore, Maryland

**Director - Neuropsychology Section – Division of Neurosurgery (July 1992 - June 1994)**

Directed clinical research and administrative functions of the Neuropsychology Section within the Division of Neurotrauma;

Patient Groups - traumatic brain injury; spinal cord injury; multi-system trauma; neurotoxin exposure; penetrating wounds; and post-traumatic stress disorder;

Developed and implemented training and supervision protocols for pre-doctoral psychology interns; provided training lectures and in-services to medical students, residents, fellows and nursing staff;  
Co-investigator for multi-site pharmaceutical studies examining the efficacy of neuroprotective agents.

**Neuropsychologist** (December 1991 - June 1992)

Developed assessment and consultation protocols of multi-trauma and neurotrauma patients;

November 1990 - December 1991

Shock Trauma Rehabilitation Network  
Center For Living

**Program Director**

Directed clinical and administrative operations of the Center for Living, a comprehensive outpatient rehabilitation program for neurologically impaired clients;  
Directed facility-wide preparation for successful CARF Survey.

September 1987 -November 1990

Cumberland, A Hospital for Children and Adolescents  
New Kent, Virginia

**Director of Psychosocial Services** (March 1990 - November 1990)

Provided administrative and clinical supervision of Psychological Services, Cognitive Retraining Services, Social Services, Educational Services, Vocational Services, and Art Therapy Services; personnel included 24 full-time staff members and 2 coordinators; developed and implemented new program: "Neurobehavioral Evaluation and Treatment Program". Weekly neuropsychological supervision with Edward C. Peck, III, Ph.D., ABPN, Ann V. Deaton, Ph.D. and James Culbert, Ph.D.

**Coordinator of Psychological Services** (January 1989 - February 1990)

Provided administrative and clinical supervision to 5 full-time staff members.

**LICENSURE:**

Licensed Psychologist - State of Maryland, # 02659  
Licensed Clinical Psychologist - State of Virginia, # 01070016828  
Psychology Interjurisdictional Compact (PSYPACT) #19878

**PROFESSIONAL ACTIVITIES:**

Board of Directors – Autism Society of Maryland  
Board of Directors – Autism speaks National Capital Region -2022  
Maryland Psychological Association's Leadership Academy  
Site Director/Supervisor- The Chesapeake Postdoctoral Neuropsychological Training Consortium-Member AAPCN  
Mentor- American Board of Professional Neuropsychology  
Professional Advisory Board – The Auburn School - 2014  
Board of Trustees – Chairman - Trinity School – 2006-2012  
Board of Directors – The Family Support Link, Trellis Services, Inc.  
Board of Trustees-College of Liberal Arts Alumni Society-Pennsylvania State University  
Board of Directors – Executive Committee- Juvenile Diabetes Research Foundation - Maryland  
Advisory Board – Regina Plan of School of the Cathedral of Mary our Queen - Current  
Board Certification- American Board of Professional Neuropsychology, 1998  
Professional Advisory Board – The Highland School  
Maryland TBI Advisory Board – 2003 – 2007  
Ad Hoc Reviewer: Journal of Behavioral and Neuroscience Research  
Ad Hoc Reviewer: Archives of Clinical Neuropsychology  
Dissertation Committee – Doctoral students for Loyola College  
Field Supervisor – Graduate students for Loyola College  
Externship Supervisor – Immaculate College  
Externship Supervisor – University of Maryland Baltimore County  
Externship Supervisor – The Chicago School of Professional Psychology  
Member, Shock Trauma Research Fund Board of Trustees, 1991 – 1992

**PROFESSIONAL ASSOCIATIONS:**

Fellow – American College of Professional Neuropsychology  
 Fellow – Maryland Psychological Association  
 American Psychological Association  
 Society for Clinical Neuropsychology  
 International Neuropsychology Society  
 National Academy of Neuropsychology  
 Brain Injury Association of Maryland

**AWARDS:**

1980      Phi Beta Kappa Honor Society  
               Pennsylvania State University  
1979      Psi Chi National Honor Society  
               Pennsylvania State University  
1979      Phi Kappa Phi Honor Society  
               Pennsylvania State University

#### SELECTED PRESENTATIONS AND INVITED LECTURES:

1. Culotta, V.P. (1988, March) - Traumatic Brain injury: sensory Stimulation and Physical, Cognitive, an Behavioral Sequelae, presented at the Pediatric Head Injury Program, Wentworth-Douglas Hospital, Dover, New Hampshire.
2. Ford, V.S. & Culotta, V.P. (1989, March) - Dysphagia Outcome in Pediatric - Traumatic Brain injury, presented at the meeting of the Fifth National Traumatic Brain Injury Symposium, Baltimore, Maryland.
3. Decker, M.J. & Culotta, V.P. (1990, October) - Promoting Effective Staff Communication With Family Members of Traumatic Brain Injured Patients, Workshop presented at the eleventh meeting of Braintree Hospital's Traumatic Head Injury Conference, Braintree, Massachusetts.
4. Culotta, V.P. (1992, June) -Neurobehavioral Sequelae of Traumatic Brain Injury presented at the Neurotrauma Symposium, Maryland Institute of Emergency Medical Services Systems, Baltimore, Maryland.
5. Durgin, C.L. & Culotta, V.P. (1992, August) - Providing Direct Care for TBI Survivors, presented at the North Carolina Head Injury Foundation Survivor's Conference, Raleigh, North Carolina.
6. Culotta, V.P. & Sementilli, M. (1993, March) - Mild Head injury: The Neurotrauma Enigma, invited lecture presented at the R. Adams Cowley National Trauma Symposium, Baltimore, Maryland.
7. Culotta, V.P. & Sementilli, M. (1993, August) - Diagnosis and Management of Mild Traumatic Brain Injury, presented at NINDS/Neuropsychology Grand Rounds, Baltimore, Maryland.

8. Fischer, V., Culotta, V.P., and Sementilli, M. (1993, October) - Comparison of Traditional Classroom Instruction and the Montessori Model in the Cognitive Rehabilitation of TBI Patients, paper presented at the 7th Annual Conference on Cognitive Rehabilitation and Community Integration, Washington, D.C.
9. Gerold, K., Culotta, V.P., and Sementilli, M. (1994, February) - Predicting Serious Brain Injury Following Acute Trauma, paper presented at the 12th Annual EMS Today Conference and Exposition, Seattle, Washington.
10. Culotta, V.P., and Sementilli, M. (1994, September) - Diagnosis and Management of Mild Brain Injury, invited lecture presented at Grand Rounds Symposium, Medical Service Corps., United States Naval Academy, Annapolis, Maryland.
11. Culotta, V.P., Bernard, N. and Sellman, M. (1994, November) - Early Detection and Management of Neurocognitive Impairment in Patients With SLE, invited presentation at the Grand Rounds Symposium, 14th Annual Meeting of the National Academy of Neuropsychology, Orlando, Florida.
12. Culotta, V.P. & Baumgardern, T.L. (2001, September) – Mood Disorder, ADHD, and Executive Functions, invited lecture presented at Johns Hopkins Applied Physics Laboratory, Columbia, Maryland.
13. Baumgardner, T. & Culotta, V. (2001, October) – Neuropsychological Assessment of Children and Adolescents with Developmental Disorders, invited lecture presented at annual MANSEF conference, Baltimore, Maryland.
14. Culotta, V. (2002, October) - Assessment and Intervention for Individuals with Learning Disabilities - invited lecture presented at the Group for Independent Learning Disabled, The Gilman School, Baltimore, Maryland.
15. Culotta, V. (2002, October) - Executive Functions in the Regulation of Mood and Attention - invited workshop presented at Partners For Success, Frostburg State University - Hagerstown, Maryland.
16. Culotta, V. (2003, May). - Executive Functions : Neuroscience and Neuropsychological Assessment – invited workshop presented at Sheppard Pratt Hospital, Towson, Maryland.
17. Culotta, V. & Weden, S. (2003, August). - Learning, Attention and Mood Disorders in Children – invited lecture presented at NASA, Greenbelt, Maryland.
18. Culotta, V. and Weden, S. (2004, June) – The Boundary of Brain Injury and Mental Health – invited lecture presented at MHA’s Brain Injury Symposium, Sheppard Pratt Conference Center, Baltimore, Maryland.
19. Culotta, V., Weden, S., and Wisner, C. (2005, March) – Neurobehavioral Aspects of Traumatic Brain Injury – invited lecture presented at Way Station Behavioral Health Services as part of the Maryland Traumatic Brain Injury Post-Demonstration Grant, Frederick, Maryland.
20. Culotta, V. and Weden, S. (2005, November) – Executive Dysfunction and Attention Disorders in the Older Child – invited lecture presented at the Lab School of Washington – Baltimore Campus, Baltimore Maryland.
21. Culotta, V. and Weden, S. (2006, January) – Neurobiology, Etiology, and Assessment of Learning and Attention Disorders: A Neuropsychological Perspective – 7-hour workshop presented to the Baltimore County Schools – School Psychologists – Oregon Ridge Center, Timonium, Maryland.
22. Culotta, V. and Weden, S. (2006, April) – Understanding Assessments: What Lies Beneath the Numbers – invited lecture presented at the Maryland branch of the International Dyslexia Association’s Annual Spring Conference, Columbia, Maryland.
23. Culotta, V. and Weden, S. (2006, June) – Neurobiology of Reading Disorders – invited lecture presented at the Graduate School of Education, Towson University, Towson, Maryland.
24. Snyder, J. and Culotta, V. (November, 2006) Programming from Diagnostic Data: What do these numbers mean? Invited lecture presented at the 57<sup>th</sup> Annual International Dyslexia Conference in Indianapolis, IN.

25. Callegary, E., Steedman, W. and Culotta, V. (March 2007) Restraint, Seclusion and Positive Behavioral Interventions in Schools: The Good, the Bad, and the Ugly- invited lecture presented to the Council of Parents, Attorney's and Advocates Ninth Annual Conference. Baltimore, MD.
26. Culotta, V. (October 2007) Wired Differently: Assets and Liabilities of Learning Differences-Invited lecture presented at the Special Education Citizens Advisory Committee, Westminster, MD.
27. Culotta, V. (November 2007) Neuropsychological Assessment & Accommodations – Invited lecture presented at the 58<sup>th</sup> Annual International Dyslexia Association Conference, Phoenix, AZ.
28. Culotta, V. (January 2008) Neuropsychological Assessment in IEP Planning- Invited lecture presented at The Bar Association of Montgomery County Maryland, Rockville, MD.
29. Hoover, P., Culotta, V. (May 2008) The Whats and Hows of School Disciplinary Cases: Best Practices and Techniques – Invited lecture at the Bar Association of Montgomery County Maryland, Rockville, MD.
30. Culotta, V., and Weden, S. (September 2008) What Lies Beneath the Numbers: Neuropsychological and Psychological Testing, ADHD and Dyslexia – Invited lecture at Western Maryland Health System, Cumberland, MD.
31. Culotta, V. (March 2009) Criminal Culpability and the Teen Brain – Invited lecture at the 36<sup>th</sup> National Conference on Juvenile Justice, Orlando, FL.
32. Culotta, V. (April 2009) The Neurobiology of Reading Differences – Invited lecture at Howard Community College, Project Access Seventh Annual Conference for Parents and Professionals, Columbia, MD.
33. Culotta, V. (June 2009) Criminal Culpability Transfer and the Teen Brain – invited lecture at the Virginia State Crime Commission, Richmond, VA
34. Culotta, V. (November 2009) Neuroscience and Learning – Invited lecture at The George Washington University, Washington, D.C.
35. Culotta, V., and Weden, S. (April 2010) What Lies Beneath the Numbers: Neuropsychological Assessment– Invited lecture at Diamonds in the Rough: Smart Kids who Learn Differently, Rockville, MD.
36. Culotta, V. (November 2010) Neuroscience Update: Executive Functions and Dyslexia – Invited lecture for Maryland Chapter of the International Dyslexia Association (IDA), Towson, MD
37. Culotta, V. (April 2011) Poverty, Disability, Transitioning Youth – Invited lecture for Project Access 9th Annual Conference, Columbia, MD
38. Culotta, V (November 2011) Problem Solving Strategies for Students with Challenging Behaviors: Voices from Multidisciplinary Panel – Invited Lecture for Maryland Association of Nonpublic Special Education Facilities, Baltimore, MD
39. Culotta, V (March 2012) Navigating a Complex World: Special Education Law, Guardianship and Its Alternatives, and Special Needs Trusts – Workshop, Towson, MD
40. Culotta, V (July 2012) The Teen Brain & Video Games: A Neuroscience Perspective- Invited Lecture, National Security Agency, Fort Meade, MD
41. Culotta, V (March 2013) Understanding DSM-5, ADHD and Language – Invited Lecture, Howard County Autism Society, Howard County, MD
42. Culotta, V (November, 2013) The Teen Brain: A Work in Progress – Invited Lecture, Mental Health America of Roanoke Valley, Roanoke, VA
43. Culotta, V (March 2014) Autism/DSM-V and Interventions– Invited Lecture, Baltimore County Public School Social Workers, Baltimore, MD

44. Culotta, V (October 2014) Social Media and Video Games: A Brain Perspective- Invited Seminar presented at the Lewis-Gale Medical Center, Roanoke, VA
45. Culotta, V. (November 2014) Teen Brain: Still Under Construction Conference - Invited Lecture, Mental Health America of Fredricksburg, VA
46. Culotta, V. (September 2015) Social Media & Video Games: A Brain Perspective - The Annual Allan T. Liffler, M.D. Lectureship, Maryland Chapter, American Academy of Pediatrics
47. Culotta V. & Blackwell M. (May 2015), Autism Spectrum Disorders: Facilitating Transition and Success in College - Invited Lecture, Goucher College, Baltimore, MD
48. Culotta V. (December 2015) Neurodevelopmental Disorders, ADHD, Dyslexia in School Settings - Invited Panelist, Bishop Walsh High School, Cumberland, MD
49. Culotta V. (December 2015) Video Games and Neuroscience, Invited Presentation, Maryland Association of Non-Public Special Education Facilities, Baltimore, MD
50. Culotta V. (March 2016) Social Media and Video Games; Establishing Practical Guidelines - Invited Lecture, Johns Hopkins Community Physicians Baltimore, MD
51. Culotta V. & Blackwell M. (April 2016) Private Practice: Bringing Neuropsychology to the Public - Invited Lecture, Kennedy Krieger Institute Baltimore, MD
52. Culotta V. (April 2016) Social Media and Video Games: A Brain Perspective, Invited Presentation, Howard Community College, Columbia, MD
53. Culotta V. & Blackwell M. (July 2016) Social Media and Video Games: A Brain Perspective, Invited Presentation, Anne Anne Arundel County Medical Center, Annapolis, MD
54. Culotta V. & Blackwell M. (August 2016) Social Media and Video Games: A Brain Perspective, Invited Presentation, Wye River Upper School, Centreville, MD
55. Culotta V. (February 2017) Screen Smart Parenting: What Brain Science is Telling Us, Invited Lecture, SHEMESH, Baltimore, MD
56. Culotta V. & Blackwell M. (March 2017) Neuropsychology: Private Practice, Invited Lecture, John Hopkins Hospital, Kennedy Krieger Institute, Baltimore, MD
57. Culotta V. (April 2017) Cyber Safety: Tips for Gaming and Socializing, Invited Lecture, The Arc of Frederick County, Frederick, MD
58. Culotta V. (September 2017) Wired Differently: Managing Learning Differences in the Classroom, Invited Lecture, Mount Saint Joseph, Baltimore, MD
59. Culotta, V. (October 2017) *Overshadowing Effects of Childhood-Onset Fluency Disorder on Autism Spectrum Disorders* for NAN 37th Annual Conference, Boston, MA.
60. Culotta, V. (November 2017) *Dyslexia: Advances in Neuroscience*, Invited Presentation, MedStar Franklin Square Hospital, Baltimore, MD
61. Culotta V. & Blackwell M. (December 2017) *Autism Spectrum Disorders: Facilitating Transition and Success After High School*, Invited Presentation, MANSEF, Towson, MD
62. Culotta V., Blackwell M, & Griffith K. (December 2017) *Brain Based Learning*, Invited Workshop, Howard Community College Columbia, MD
63. Culotta V. (April 2018) *Addressing Symptoms, Identification, and Treatments of Adolescents with Depression*. Invited Presentation, Anne Arundel Community College, Arnold, MD

64. Culotta V. (October 2018) Neuropsychology and Mild Traumatic Brain Injury. Invited Presentation, Franklin & Prokopik Attorneys at Law, Towson, MD
65. Culotta, V. (October 2018) *Neuropsychological Profile of Wolf-Hirschhorn Syndrome*, NAN 38th Annual Conference, New Orleans, LA.
66. Culotta V. (November 2018) Neuroscience and Autism: Phenotypical Misunderstood Behavior. Invited Presentation, Meritus Health Autism Conference, Hagerstown, MD
67. Culotta V. & Blackwell M. (November 2018) The Neuroscience of ADHD. Invited Keynote Speaker, Friends School Professional Day, Baltimore, MD
68. Culotta V. (November 2018) Neuroscience and Screentime. Invited Presentation, St. Paul's Lower School, Brooklandville, MD
69. Culotta, V., Fleischer, R., Blackwell, M. (February 2019) "Neuropsychological Profile Associated with 12p13.33 Deletion" Poster accepted for presentation at The 46<sup>th</sup> Annual Meeting of the International Neuropsychological Society, New York, New York.
70. Culotta, V. P. Wegfahrt, M. E., Culotta, S. O. (February 2019) "The Role of Neuropsychological Assessment in Intrauterine Infract" Poster accepted for presentation at The 46<sup>th</sup> Annual Meeting of the International Neuropsychological Society, New York, New York.
71. Culotta, V., Blackwell, M., & Fleischer, R (February 2019) *A Neuropsychological Profile of Wolf-Hirschhorn Syndrome*. New York, New York
72. Culotta, V. (April 2019) Autism Spectrum Disorders: From Biology to Behavior. Invited Presentation, John Hopkins Applied Physics Lab, Laurel, MD
73. Culotta, V. & Blackwell, M. (April 2019) Private Practice: Brining Neuroscience to the Public. Invited Presentation, Kennedy Krieger Institute– Faimont Campus, Baltimore, MD
74. Culotta, V. (May 2019) Neuroscience of ADHD and Dyslexia. Invited Presentation, Harford County SECAC, Bel Air, MD
75. Culotta, V. (September 2019) Executive Functioning, Kent County SECAC, Chestertown, MD
76. Culotta, V. (October 2019) Social Media and video Games: A Brain Perspective, Baltimore County, Baltimore, MD
77. Culotta, V. (November 2019) The Role of Neuropsychological Assessment in Congenital Diaphragmatic Hernia, NAN 39th Annual Conference, San Diego, CA.
78. Culotta, V. (February 2020) Dyslexia and Literacy: Understanding Anxiety and the Struggling Reader, The Dyslexia Foundation- UCLA Medical Center, Los Angeles, CA
